Know Your Bible

Prayer for the Nation 2017

Let us take time out to pray for our Nation. Pray that as a country we will turn back to God and His ways. Pray that in our hurting society the church will reach out to many and those who are lost and hurting may turn to Jesus.

Stop, sit quietly and relax. Place before God those things that will distract you from concentrating on Him.

Verse for the year.

Colossians 3 v16

Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, singing psalms, hymns and spiritual songs with gratitude in your heart.

Sit quietly and meditate on this verse and let the Holy Spirit minister to you.

1 Timothy 2 v1-4

I urge, then, first of all that requests, prayers, intercessions and thanksgiving be made for everyone - for kings and all those in authority, that we might live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Saviour, who wants all men to be saved and to come to knowledge of the truth.

Ephesians 6 v18

And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep praying for all the saints.

Pray -

Pray for the church, that it will make a real impact on our society. Pray that in these confusing times the church will be a light in the darkness and that the religious freedom of Christians will not be eroded.

Pray for all those involved in outreach. For Street Pastors, for food distribution centres and night shelters. Pray that through these practical expressions of love that God will bless their efforts and that many will come to know Jesus.

Pray for all those who are lonely, depressed and those whose lives are blighted by addiction live and without any hope. Pray that as issues of mental health are discussed adequate care will be provided for those who are desperate, particularly the young.

Pray for families in crisis. Pray for those who are separated from their families through divorce and broken relationships, especially for the children.

Pray for those who have been affected by flood, fire, earthquake and acts of terrorism that the Lord will meet them in their time of need.

Pray for our police force and those involved in securing our nation, that the Lord will give them insights and that they will be successful in protecting and keeping us safe.

Pray -

Pray for Theresa May and her government as they continue to negotiate with the EU for Britain's exit. Pray that there might be unity within the Party.

Pray for Christian MP's that they will have opportunities to make a stand for their faith and that they will not be put in a position to have to compromise.

Pray for desperate people in many parts of the world who have been forced to flee from their homes because of fighting, persecution and violence. Pray that they will be sustained as they shelter in refugee camps.

Pray for Christians in many countries persecuted for their faith that they will know the strength and peace of the Lord
